

ACQUESI ASTI DOCG

Variety - Moscato d'Asti

Region - Piedmont - Acqui Terme

Acquesi only produces DOC and DOCG wines from the region of Piedmont.

Soil! Piedmont is a diverse region with many microclimates. Monferrato, in the Province of Asti, is one of the most famous grape-growing areas of Piedmont, and now a UNESCO World Heritage site.

Winemaking

Acquesi is produced using Metodo Martinotti in which the rief secondary fermentation takes place in large ats preserving all the natural aromas. The wines must go through a cold fermentation to achieve the proper balance of flavor and aroma for it and delicate perlage.

Tasting Notes & : ood Dairings

The Asti has the aromas and flavors of honeycomb and peach blossom with a creamy, bright, spritzy, off-dry light body and a cheery finish with fine, fruit tannins. A playful and sweet, daytime sipper. Serve between 38-50° F / 5-10° C.

Packaging Information

Size: 750ml
UPC code: 819046010184 (Asti)
