MOSKETTO PINK

Variety - Moscato

Region - Italy, cultivation and vinification take place in Piedmont.

Winemaking

Mosketto is the product of the most renowned, aromatic grape varieties from the Piedmont region in north-western Italy. It is produced locally, by naturally fermenting the high-quality and aromatic grapes, to give Mosketto its pleasant bubbles. Partially fermented grape juice. Mosketto is the essence of the most well known Italian grape varieties. The pleasant bubbles come from a natural carbonation process without any addition of artificial flavors or CO₂.

Alc. Vol. - 5.5%

Tasting Notes & Food Pairings

Refreshingly sweet with subtle flavors of cherry, raspberry and rose petals. Mosketto Pink is perfect with anything from gazpacho to spicy Asian dishes, or simply on its own. Are you ready to try Mosketto with your favorite cocktail?
